THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2005-135-T - ORDER NO. 2005-502
SEPTEMBER 20, 2005

IN RE: Application of Coast to Coast Bus Line, Inc.,)	ORDER DISMISSING
1401 Highway 301 North, Dillon, South)	APPLICATION AND
Carolina 29536 (Mailing address: Post Office)	RESCINDING
Box 1035, Dillon, South Carolina 29536))	AUTHORITY
(District 5) for a Class C Charter Bus)	
Certificate.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) to dismiss the Application of Coast to Coast Bus Line, Inc. (Coast to Coast or the Applicant) and to rescind the Applicant's authority as the result of the failure of the Applicant to comply with certain rules of this Commission relative to the instant docket.

A review of the docket file reveals that Coast to Coast was granted authority to operate as a motor carrier in South Carolina under a Class C Charter Bus Certificate (Certificate) by Order No. 2005-254, dated May 20, 2005. In Order No. 2005-254, the Commission directed the Applicant to file with the Commission and the ORS proof of appropriate insurance and an acceptable safety rating within sixty (60) days of the date of the Order, or within such additional time as may be authorized by the Commission. Further, Order No. 2005-254 instructed the Applicant that failure to either comply with the requirements of filing with the Commission and ORS proof of appropriate insurance and an acceptable safety rating within sixty (60) days of the date of the Order or to

request and obtain from the Commission additional time to comply with the stated requirements, would result in the Applicant's authorization being revoked.

By letter filed August 19, 2005, the ORS advises the Commission that Coast to Coast has failed to comply with the rules and regulations of the Commission within the sixty (60) days timeframe set forth in Order No. 2005-254. According to the ORS, the Applicant has neither filed the appropriate documentation nor requested an extension of time; therefore, the ORS requests the Application of Coast to Coast be dismissed.

The Applicant's compliance with such filing requirements was clearly expressed as a condition precedent to receipt of the Certificate and to the performance of the motor carrier services authorized by Order No. 2005-254. After due consideration of the ORS's request, the Commission is of the opinion, and so finds, that its previous Order No. 2005-254 granting Coast to Coast authority to operate under a Class C Charter Bus Certificate should be rescinded and that the Application herein should be dismissed.

IT IS THEREFORE ORDERED:

1. That Commission Order No. 2005-254, dated May 20, 2005, granting authority to Coast to Coast Bus Line, Inc. to operate under a Class C Charter Bus Certificate is rescinded.
2. That the Application of Coast to Coast Bus Line, Inc. for a Class C Charter Bus Certificate is dismissed.

3. That this Order shall remain in full force and effect until further Order of this Commission.

Randy Mitchell, Chairman
